FREIGHT DISCOUNTS

We can offer freight savings of up to 85% from list, depending on your location. Call for details.

REMEMBER

On all wire, the last measurement goes around the roll. ½" x 1" mesh has a wire pattern that will produce 1" of waste per cut. A 1" x ½" pattern will produce ½" of waste per cut that must be trimmed to eliminate sharp ends. And in 2" x 1" mesh you lose 1" per cut!
